“The Fear Factor Series, Part 8”

A FAITH THAT CRIPPLES FEAR

Pastor Vernon J. Shazier

Scripture Readings: Joshua 1:1-9

Main Point: Faith can cripple fear when you have a disciplined mind.

Key Question: How?

Key Answer: Faith can cripple fear when you remember:

- A. Who God is
 - i. Supremacy of God
 - ii. Immutability of God

- B. What He has done
 - i. Power of God
 - ii. Faithfulness of God

- C. What He has promised
 - i. Goodness of God
 - 1. Mercy
 - 2. Grace
 - ii. Love of God

- D. What we are called to be
 - i. Ambassadors
 - ii. Change Agents

Conclusion: When the church gets up, goes out and fulfills its assignment, then faith will cripple our fears, injustice, hate, wrongs. If God’s people who are called by His name will train and discipline our minds to remember, we will see a faith in the body of Christ that is powerful enough to cripples life’s fears and injustices.
