“The Fear Factor Series, Part 6”

WHEN FAITH TESTIFIES

Pastor Vernon J. Shazier

Scripture Readings: Hebrews 12:1-3

Main Point: Testimonies have the power to give strength to the weak; hope to the hopeless. When the right testimony is shared, it has the ability to give you strength to defeat fear.

Lesson Application: During this season of unrest and pandemic, it is time for the church to become a cloud of witnesses for the world to see who God is.

Consider the cloud of witnesses, do they have the “right” testimony in this season to strengthen your faith to defeat fear?

Discussion Questions

1. Can you personally relate to any of the witness's testimonies?
2. Even though their struggles were various, what did they all have in common?
3. Do you have a "right" now testimony to encourage someone?
